Subject: Appeal to Alumni for Donation to Corpus for Construction of Alumni guest house at NDRI, Karnal.

Dear Alumni & Well Wishers,

Greetings to you!

Established in 1923, National Dairy Research Institute has since been serving the cause of higher education in dairying, empowering the youth and contributing to the evolution of knowledge economy of the country. Its long journey has been dotted with many milestones of success and glory. Our alumni are holding many prestigious positions in India and abroad and have been instrumental in spearheading the much acclaimed White Revolution in the country. Many of our distinguished alumni while visiting the institute have expressed the need for an Alumni Guest House at NDRI. Our Alumni group from North America (NDRI-Overseas) has already sent a token amount of US\$ 5000/- for this cause. Accordingly, we have sought the necessary permission from ICAR to construct Alumni Guest House at NDRI, Karnal. We are planning to construct 4 suites in this Guest House as per the design given hereunder, which would cost approximately ₹ 80 lakhs.

With all earnestness and full confidence in your urge to support this noble cause, we solicit your maximum possible contribution for our "Alumni Guest House Development Fund". The funds in the Corpus will be used exclusively for construction of the Alumni Guest House.

How to contribute?
