

ERS of ICAR- National Dairy Research Institute devoted 'Shramdan' on 24.9.2017 for development of toilet

ERS of ICAR- National Dairy Research Institute, Kalyani on 24.9.2017 devoted 'shramdan' for development of toilet facility to celebrate 'SamagraSwachhtaDiwas'. Staffs of ERS enthusiastically participated in the improvement of toilet facility and all were sanitized about the benefits of cleanliness. The drainage channels were also cleaned and special attention was given for cleaning of sewage system. Every employee present during the occasion promised to disseminate the message of cleanliness drive started by Hon' Prime Minister of India for making healthy and prosperous India.
