Entrepreneurship Development Programme on Commercial Dairy Farming

2nd - 7th May 2016

ICAR- National Dairy Research Institute
Karnal-132001
www.ndri.res.in
About Training
Commercial dairy farming has good potential for employment generation both in rural and peri-urban areas besides being a source of liquidity and insurance against crop failure. In other words, dairy provides employment throughout the year. Even more profits can be earned through dairying, depending upon the breeds of animal, managerial skills and marketing. Dairy farming can also be taken up as a main occupation around big urban centers, wherein the demand for milk is high. Modern and well established scientific principles, practices and skills should be used to obtain maximum economic benefits from dairy farming.

Topics to be covered
- Important Breeds of dairy suitable for commercial dairy farming and their selection criteria
- Economic parameter and project proposal development of commercial dairy farm for sustainability
- Fodder production, preservation and utilization of farm waste
- Animal Health, housing & shelter management of dairy animals
- Aspects of quality milk production & Value addition in milk at farm level
- Interaction with dairy equipment manufacturers and financial institution
- Visits to various section of NDRI and commercial dairy farms

Registration
Registration will be on first come, first served basis.

Eligibility & Selection
The training is open for Dairy farmers/entrepreneurs, officials from animal husbandry & dairying departments educated rural and urban youths and farmers. There are 20 seats for this training. Candidate Selection would be on the basis of first-cum-first serve.

Fees for Training
Fee of Rs. 10,000 per participants will be charged which includes boarding and lodging facilities also. Participants have to bring Demand Draft in favor of Society for Innovation & Entrepreneurship in Dairying, payable at Karnal.

Accommodation
Boarding and Lodging facilities will be provided at Kalki Bhawan, NDRI, Karnal.

Certificate
A certificate will be awarded to the participant on the successful completion of the course.

Travel
Karnal is located on NH-1, equidistant (~125 Km) from New Delhi and Chandigarh. City is well connected by road and train. Buses for Karnal can be availed from ISBT Bus stand (Kashmiri Gate), New Delhi, which operates round the clock.
