JOB FAIR
February 18 and 19, 2016

The Indian Dairy Association – North Zone (IDA-NZ) in collaboration with the National Dairy Research Institute, Karnal is organizing the 44th Dairy Industry Conference (44 DIC) at NDRI, Karnal from Feb 18 to 20, 2016. The Conference is expected to attract about 1500 delegates from across the country.

One of the main attractions of the 44th Dairy Industry Conference is the Job Fair, which will be organised on February 18 and 19, 2016. Through this job fair prospective employers will have an opportunity to recruit fresh students from different streams of Dairying and Animal & Veterinary Sciences, spread across production, processing and management streams. They will get a platform to meet the students, interact with them and select the best among them for their future recruitment plans. For the students, it will be an opportunity to showcase their competence and strengths before the employers for getting a good job of their choice.

The Organizations, Academic Institutions, graduates and post Graduates including Ph. D. scholars who are interested to participate in this Job Fair are requested to contact Dr. Latha Sabikhi at the address given below.
