Sr. Admin. Officer

21/02/18
To

The Director,
As per list enclosed (55 Institutes)

Sub: Forwardal of scores as per Evaluation of OMR Answer Sheets of Technical Assistant (T-3) Exam for ICAR Institutes held on 17.7.2016.

Sir,

A common competitive examination for recruitment to the post of Technical Assistant (T-3) in 55 institutes of ICAR, including your institute was conducted by the Board on 17th July, 2016 at various centres across the country.

2. The OMR sheets and Answer sheets (in the functional group of Hindi Translator) of all the candidates who had actually appeared have been evaluated. The functional group wise marks scored by the candidates in respect of your institute in descending order (from higher to lower marks) have been prepared by the Board and the same is enclosed as Annexure-I.

3. The marks scored by the candidates have been reflected against their particulars as given in the OMR Sheets. However the respective institute must check, verify and reconfirm the particulars, eligibility with reference to educational qualifications, age as on closing date, caste, functional group opted etc. as entered in the OMR Sheets from the original application.

4. Some of the applicants have not provided the complete information in the OMR Sheets as specified. However, the details could be arrived at from related entries in their OMR Sheet. For example, though the candidate has written the functional group / roll number in ink, he has not circled properly in the box given thereunder. In such case, Board has taken the functional group / roll number written in Box for evaluation of Answer Sheets. However, the actual details may also be verified again from the particulars given by the candidates in their original application. The detail of such applicants pertaining to your Institute is enclosed as Annexure-II (only to those institutes where applicable).

Cont....2/-
5. Many candidates who applied for this post against the vacancy in your institute had also applied for vacancies advertised by other institutes. Since the examination was held on a common date, all such candidates were given opportunity to exercise options/preferences for institutes in a prescribed format. Such options exercised by the candidates and submitted at the respective examination centres, have been tabulated in a centralized data base (in excel format) separately and a soft copy of the same is being mailed separately. It has been observed that many candidates while filling up of option forms did not mention their roll number or other valid details in support of their candidatures at other institutes. Hence, all institute must verify the roll number etc. of the candidates carefully and ensure that the candidate had actually applied for the post in that institute. Under no circumstances, a candidate who did not apply for a post in an institute shall be considered for a vacancy of that particular institute even if he/she has exercised option for this institute. If necessary, the candidate concerned may be asked again to submit details (roll number etc.) to verify his/her claim for the candidature at your institute. If need be, sister institutes concerned may also be contacted in this issue for reconfirmation.

6. The category-wise minimum qualifying cut-off marks for this position has been fixed by the Board as under:

   UR-50%, OBC - 45%, SC/ST & PC – 40%

7. The merit list in respect of your Institute may be prepared on the basis of the actual live vacancies available, category-wise, scores obtained with reference to cut-off percentage for each category, functional group options of the applicant, etc. after verifying all the details furnished by the candidates in the original applications which are in the custody of the Institute. The Board regulates cases of tie as under:

   a) Date of birth with older candidate placed higher.
   b) Alphabetical order in which the first names of the candidates appeared.

8. Every precaution has been taken by the Board in the machine-based evaluation of OMR Sheets of candidates and preparation of data-base of marks and options for institutes. However, if any discrepancy is noticed in the details like roll numbers, caste, date of birth, functional group opted etc. in respect of a candidate, in the Annexure I vis-à-vis details given by the candidates in their original application, the same may be brought to the notice of the Board for clarification/rectification before finalizing the draft merit list.

9. A total of 29 applicants (from all participating institutes) have not filled up the name of discipline (functional group) in the OMR Sheets. Therefore, their OMR sheets could not be evaluated and hence their candidature has been rejected. A list of such applicants is enclosed as Annexure-III for information only.

Cont....3/-
10. It is accordingly requested that the final merit list be drawn taking into consideration all the above aspects and forwarded to the Board for further action on TOP PRIORITY.

This issues with the approval of the Chairman, ASRB.

Yours faithfully

(K.N. CHOUDHARY)
Deputy Secretary (Exam.)
